2. It was determined by [REDACTED] Chief, Budget Section, EE Division, and [REDACTED] Finance Division, during their recent field survey that the volume and complexity of work in the Finance Section at [REDACTED] was too great for the incumbent or any GS-9 replacement to handle. Accordingly, we have obtained the services of Mr. [REDACTED] GS-11, Finance Division, for this position.

3. The Mission requested an additional position at grade GS-7, Fiscal Accountant, but our decision in this regard has been that the assistance to the GS-11 Fiscal Accountant must come from the Administrative Assistant, GS-7 and Clerk-typist, GS-5 currently authorized.
